Tim,

On behalf of the OneCity Vancouver School Board team of Trustee candidates, I'd like to send our encouragement to you, your staff, and your members as you enter this critical time in the collective bargaining process.

It's thrilling that your membership is so united, delivering a 96.9% vote in favour of taking strike action. In the face of concessions that the current Vancouver School Board has put on the table, proposing to devalue your members' work and qualifications, it's very encouraging to see that your members are standing so strongly together to assert their value and rights.

The OneCity Vancouver School Board candidates, Rory Brown, Krista Sigurdson, Sherry Breshears, Steve Cardwell, and Christopher Lee know the important work that your members deliver in Vancouver public schools.

From Power Engineers to Cafeteria Workers to Supervision Aides, the work of IUOE 963 members provides essential, qualified, experienced and stable service to Vancouver families.

The choice in the upcoming Vancouver School Board election is clear: four more years of ABC chaos, or stability, respect and progress for Vancouver families with OneCity Vancouver Trustees.

In solidarity and respect,

Rory, Krista, Sherry, Steve, & Christopher
